"Live until you're old, learn until you're old, and there's still so much to learn." - Chester Ronning (1894-1984)

May 21<sup>st</sup>, 2019

Dear Parents,

Welcome to Chester Ronning School! Your child is registered in the KMW class (Kindergarten Monday, Wednesday class). There will be approximately one Friday per month that your child will attend school.

Kindergarten will begin the school year with an **Orientation Day**. I am requesting that at least one parent plan to accompany their child on the first day of Kindergarten. You will be there to support your child as students participate in some planned activities that will give your child a sense of what kindergarten is like. This is an activity meant to be spent with you and your Kindergartener, so please make arrangements for younger siblings during this time. There will be different centers set out for you and your child to complete. One of these centers will be a meeting with me for approximately 10 minutes. During this time, I will introduce myself, give a brief overview of the Kindergarten curriculum, and allow for time to answer any questions you may have. Orientation will last approximately 1 hour.

I have attached a year calendar, kindergarten supply list, some information about Kindergarten Readiness and an "All About Me" activity sheet. Please help your child complete this activity page over the summer and bring it to school on Orientation Day as well as your child's school supplies. Please see the schedule below:
