

THE CHESTER RONNING NEWS

September 2020 Newsletter

A Message from Mr. Lansing

Welcome back to a new school year! Without question, this has been one of the most challenging and unique school start-ups for teachers, students and families, alike, but we are certainly glad to finally have students back in our classrooms where we can learn together. I'm sure that there are things about this school year that feel a little strange, from dropping off children outside of the school rather than escorting them to their classrooms each morning to the absence of agendas but I can assure you that inside the school, most of the goings-on feel pretty normal! At the end of the day, any new school routines that we are adjusting to are intended to help keep our school community safe. The staff at Chester Ronning School are doing exceptional work to ensure that students are properly supervised and supported to learn new routines and safety procedures, in addition to continuing to design meaningful learning opportunities for students. Please remember that BRSD- and CRS-specific re-entry plans are available on the school division's website as well as our [homepage](#). Of course, we will continually review and refine our routines as the year progresses and we find better, more efficient ways to maintain safety during in-class learning. If you have feedback or questions, please don't hesitate to send me an email or call me at the school! (780-672-5588).

2020-2021 STAFF

TERRY FOX

Terry Fox Day will be held on Wednesday, September 30th. Teachers will hold activities with their own classes. Here is the link for our Chester Ronning donations page: <http://www.terryfox.ca/ChesterRonning>

ORANGE SHIRT DAY

This year Orange Shirt Day coincides with Terry Fox Day. Students will have activities in class to support learning about each of the events and their history.

COMMUNICATION

Communication with the school is important now more than ever! Please ensure that the office has your most current email and that you have opted in to receive school texts and emails by texting “yes” to 978338. Standard text message and data rates may apply. If you call the school and don't reach someone, please leave a message and we will return your call as soon as possible.

LATE ARRIVAL

Students who arrive late must come to the front door to be let into the school. Parents, as you are dropping your child off, please call the school at 780-672-5588, to let us know that they have arrived. We want to ensure all our students arrive safely and in the school to class as quickly as possible.

AGENDAS

Agendas have arrived and will be distributed to students next week. The \$7 fee will be available to be paid online, once an invoice goes home.

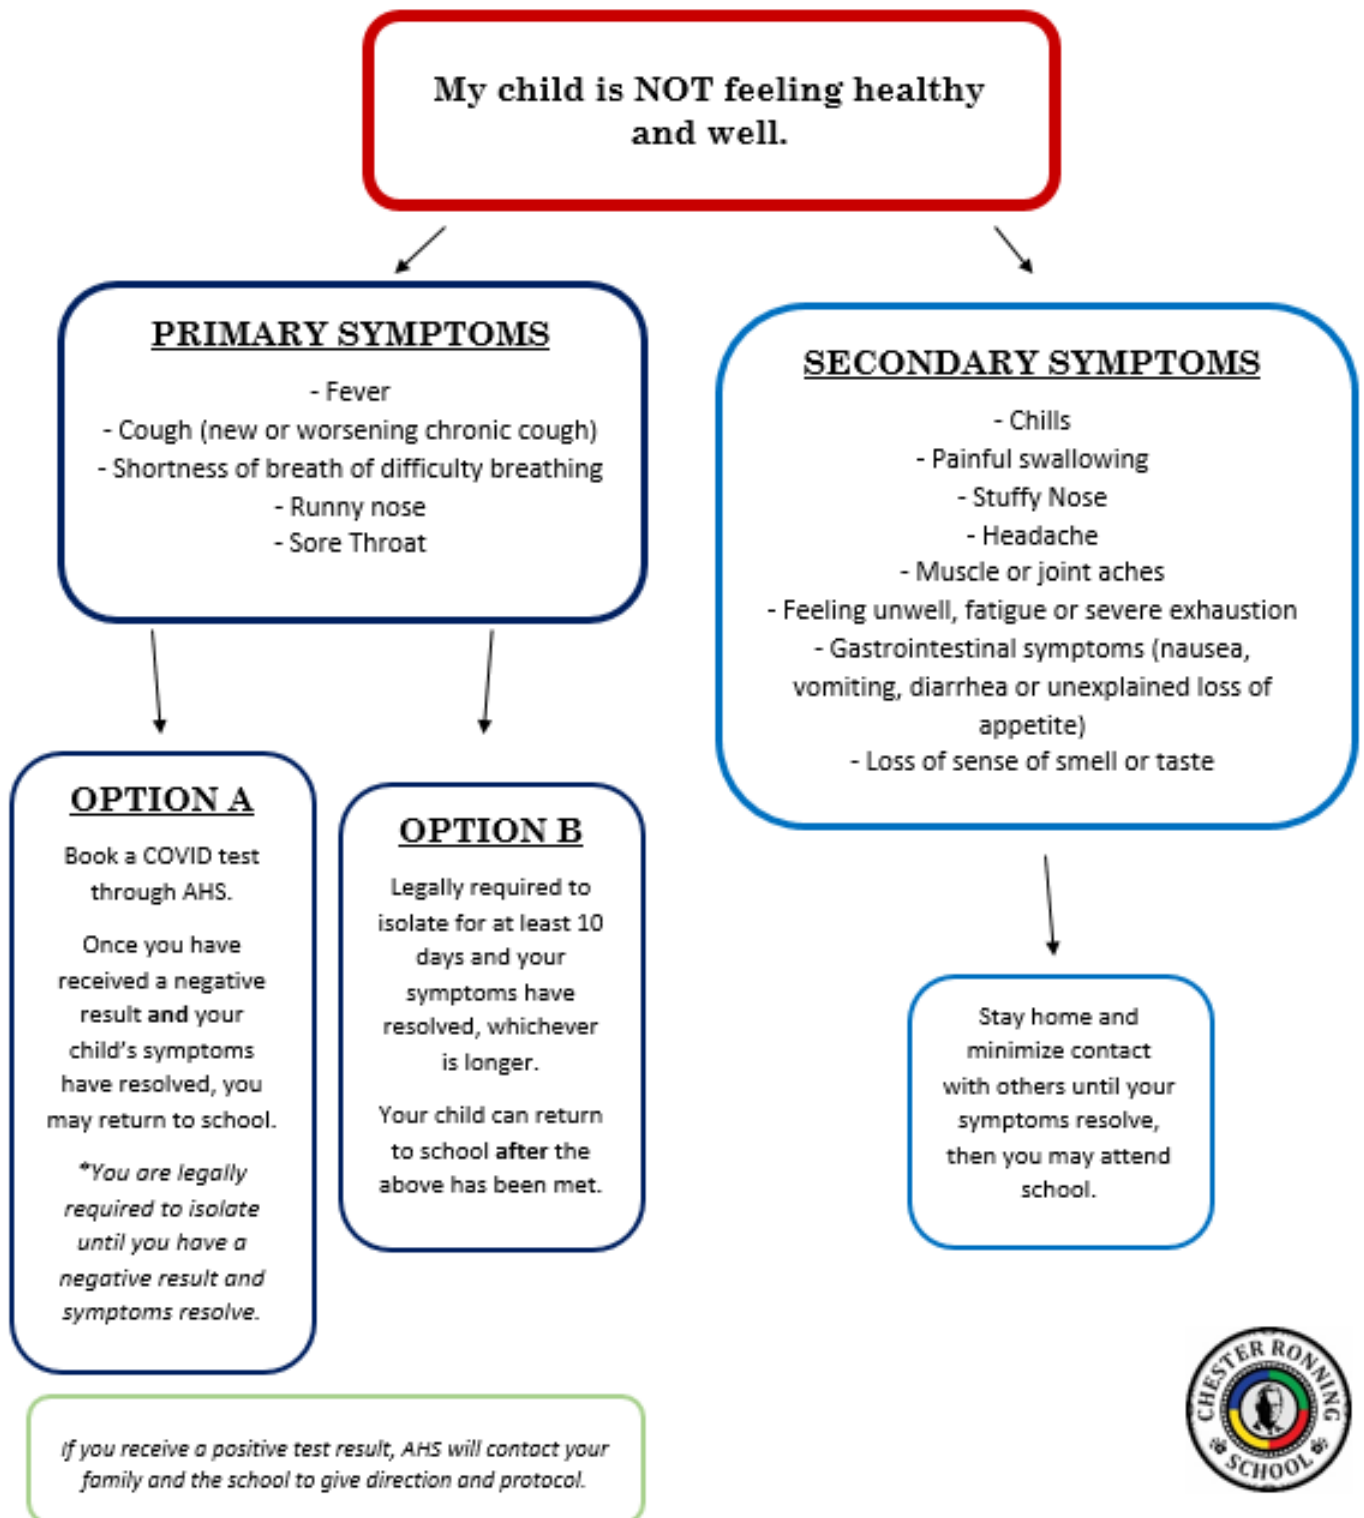

- agendas will be given to students for individual use
- agendas will not be collected by teachers, they will stay at students' desks
- it will be important not to rely on agendas for ongoing, back-and-forth communication or for time-sensitive information - telephone, email and/or Google Classroom will be more reliable methods for communicating with teachers
- teachers may send separate notes home from time-to-time, which could be transported in the agenda.

MY CHILD IS FEELING UNWELL . . . NOW WHAT?

Thanks for keeping us all safe and healthy by keeping your child home when they are feeling sick. We are taking our direction from AHS and appreciate your help following the new protocols.

If your child is not feeling well, they must not attend school.

*please contact the school to let us know if your child is feeling unwell. We will let their teacher know and the teacher will contact you to check in and arrange homework as needed.

Calendar Items - <https://cronning.brsd.ab.ca/about/calendar>

September

Community News

Part of the Camrose & Area Family Resource Network

Dear Families,

Welcome to the Camrose Family Resource Centre!

The Camrose Family Resource Centre recently became a part of the Family Resource Network and will be providing services in the areas of prevention and early intervention programs, supports and services for children and youth 0-18 and their families within the City of Camrose, and the Counties of Camrose, Flagstaff and Beaver.

The Camrose Open Door and the Camrose Association for Community Living have become our official partners as part of the new Family Resource Network. We are excited to be working alongside these wonderful community agencies.

The Camrose Family Resource Centre will provide the following supports and services:

- *Parent Education* including Triple P for families with children 0-18
- *Developmental Screening- Ages & Stages Questionnaire, Ages & Stages Questionnaire SE, Protective Factors Survey* for families 0-18
- *Family Programs* for families with children 0-18
- *Family Support* for families with children 0-18
- *Rural Service Delivery* – all programs will be offered within our Rural Service Delivery area

Camrose Association for Community Living: Healthy Families Program – Home visitors support and enhance parenting skills, provide information on child development, child health and other aspects of positive family functioning. Visit www.cafcl.ca or call 780-679-4357 for more information.

Camrose Open Door: Parent/Caregivers of Teens Support Group – This group will provide supports, learnings, debriefing and resource connection to parents/ caregivers of teenagers and will be led by a therapist. Visit www.camroseopendoor.com or call 780-672-0257 for more information.

The Camrose and Area Family Resource Network are working hard to support families during the COVID-19 Pandemic, providing supports over the phone, through email and online.

Thank you for your time in reading this letter. We encourage you to reach out if you have any questions or want to learn more about the programs and services offered. The following link will take you to our current Newsletter for September & October programs available.

Sincerely,

Camrose Family Resource Centre
