Dear Parents,

It is the time of year when we begin our planning for next year. We need to have a fairly accurate count of the number of students who will be attending Chester Ronning next fall in 2021-2022. By mid-February, we are expected to let Division Office know our estimate for the number of students we will have. Our funding for next year and the number of classes we will have will be based on that estimate.

Our current enrolment count includes both the in-class and at-home programs that are operating during the 2020-2021 school year. Although we do not know whether an at-home option will be available for next year, it is important that we count all students in our attendance area who intend to enroll in a BRSD program at Chester Ronning.

Please fill out the bottom portion of this letter and return it on or before **February 10, 2021.** Your efforts to return this form will help us to get a more accurate picture of who is moving and who is planning to be here next year. It's not a problem if your plans change, just let the office know.

Thanks for your help!

Sincerely,
Mr. R. Lansing
