May 14 – KTT has Friday class.
May 24 – No school – Victoria Day.
May 28 – KMW has Friday class.

MR. LANSING'S MESSAGE

I hope that everyone had an enjoyable, restful spring break and Easter weekend! It has been great catching up with the students this week and, judging by the size and numbers of smiles, it looks like the break was rejuvenating for many and also that students are generally happy to be back at school. We are nearing the end of Quarter 3, which means the home stretch of the school year is already upon us!

Report cards are being prepared, as we speak, and will be sent home with students on Thursday, April 22. We are excited to share feedback about the students' progress to this point and to set the stage for the last couple months of learning. It's natural at this time of the year to start looking forward to the upcoming Grade that students will be entering in the fall. At this point, a number of informational and logistical elements still need to be determined before the 2021-2022 school year can begin to take shape but please feel invited to call and have conversations with me or Mrs. McLeod if you have questions or considerations that you wish to discuss.

Two more things I must be sure to mention at this time of year:

1) With the warmer weather, more and more students are walking to and from school. When driving past the school, thank you for being aware of pedestrians, students crossing the streets, bus lanes, etc. Your care and attention as drivers helps to keep everyone safe and ensures that drop-offs and pick-ups go smoothly!

2) It feels incredibly redundant to mention, but we are seeing another surge in COVID cases, in and around our community. So far, CRS has managed to avoid the types of disruptions to learning that many schools are dealing with. Thank you to everyone in our school community for their continued vigilance toward daily health assessments and keeping students home when there are symptoms. We so appreciate your continued patience and understanding during this pandemic - we will get through this together!

Take good care!

Reid Lansing, Principal

SCHOOL PHOTO ORDERS

As Lifetouch sends us the student photo packages, we will send the packages home. From there you can use the ID number to order your pictures online at mylifetouch.ca

YEARBOOK PRE-ORDER!

Coming soon! 2020-2021 Yearbooks will be available to pre-order online. Watch for a School Messenger text or email to let you know when these are available to order. We hope to have the yearbooks arrive for the end of June.

HEALTH AND WELLNESS

We are continuing our focus on: Are you drinking enough water?

DO YOU WANT TO BE A HOST FAMILY?
