Dear Kindergarten Parents,

I am very pleased to share that we finally will be moving forward with a more permanent arrangement for our very large group of Kindergarten students. This has been a top priority for our school since the summer and I am so appreciative of the patience and understanding that you have demonstrated and for your advocacy as we have worked with BRSD leadership to find a solution for the remainder of the school year.

We will be adding a third Kindergarten class at CRS and will be working to get each class closer to 20 students. We know that these numbers still reflect classes that are somewhat large for this age group, but we are excited about the programs that our terrific staff will be able to run and the increased attention and support that each student will have access to!

A few programming and staffing decisions remain to be worked out for the new class. However, we will begin the process of splitting our Monday/Wednesday group beginning next week, on Monday, October 18. Ms. Doering and Mrs. Plantz, who has been supporting our Kindergarten classes since the beginning of the school year will continue to team-teach these classes until we have another teacher hired for the position. If any families with students in the Tuesday/Thursday class would be willing to move, in order to help us balance the classes, please contact our school office.

If you have any questions or feedback, please don't hesitate to call me at the school.

Sincerely,  
Reid Lansing
