Dear Chester Ronning School families,

Yesterday, we received notice from Alberta Health Services that an individual connected to one of our Grade 4 homerooms tested positive for COVID-19 during the Fall Break. Those families with children in the impacted classes have been contacted directly and, if you did not receive an additional separate notification, we do not believe that your child is at additional risk of exposure to COVID-19.

It is possible there are other people connected to our school who also have COVID, but AHS has made us aware that these people were at school last week during a time when they likely were infectious.

No-one from the school is required to quarantine as a result of these cases, but we wanted you to be aware of the information. We would also like to express our appreciation to everyone who takes the time to conduct the Daily Checklist and ensure children who are not feeling well and/or who are experiencing symptoms stay at home until they are well. You can find the checklist here:

<https://open.alberta.ca/dataset/56c020ed-1782-4c6c-bfdd-5af36754471f/resource/58957831-a4ab-45ff-9a8e-3c6af7c1622e/download/covid-19-information-alberta-health-daily-checklist-2021-08.pdf>

Thank you for your support.

Sincerely,

Reid Lansing, Principal Nathan Pederson, Assistant Principal
