Dear Chester Ronning School families.

We are happy to report that the Outbreak Status for Chester Ronning School has been lifted.

Because we have had no new cases for 14 days, Alberta Health Services notified us on the weekend that our Outbreak has ended. Thank you for your patience and support over these recent weeks, as we have worked to ensure that student learning could continue, even when our school attendance was disrupted.

As we move forward, we remain grateful that you will continue to be diligent in monitoring your children's health and keep students home if they have symptoms of illness.

We are excited to have a healthy school family once again!

Sincerely,

Reid Lansing, Principal

Nathan Pederson, Assistant Principal
