

Chester Ronning - Parent Council

We are in need of volunteers in order to continue operating.

Next Meeting: April 19th 2:30pm

Location: Outside the front door of the school on the cement.

Refreshments to be provided.

We are school parents that meet once a month to discuss the school, organize hot lunch and help fundraise. Our fundraisers have helped build a playground, pay for field trips, purchase equipment such as ChromeBooks, fund the Holiday party and provide special lunches & snacks through out the year. Meetings are usually the third Wednesday of each month.

Please consider joining so that our students can continue to enjoy the benefits we provide.
