### ***Volunteers***

\*\*We require a few parent volunteers who would be willing to join in the skiing fun for the day. Ideally, some of the parent volunteers would be willing to ski themselves to have additional adult presence on the hill. Please indicate if you are able to volunteer on the back of this page.

### ***Safety***

- All students are required to complete mandatory lessons.
- Helmets worn properly whenever skiing.
- Students are not permitted in the terrain park.
- Wear appropriate clothing for the weather and activity.

### ***Lunch***

Students are welcome to bring a bag lunch or you could send a reasonable amount of money to be spent at a concession (eg. Burger, drink, and fries is up to \$12).

### ***Cost***

There is a fee for the activity to cover the cost of compulsory lessons and equipment rentals.

*The total cost of the lift ticket, rentals, and lessons is \$42 + Transportation; however, the full cost of transportation (\$550) will be covered by Student Generated Funds*

**Each student is responsible for \$42. Please pay online through the Chester Ronning website. If your child has full equipment to bring (boots, helmet, snowboard or skis) they may purchase only the lift ticket and lessons for \$30.**
