Parent Registration

Parents click on the "Register" tab and fill in the registration form to create an account. Once parents have successfully registered, they can login to the system and then must register their students by name.

To Book Appointments

Select Teachers

Parents can schedule appointments for any student that they have added to the system by clicking on the "Appointments" button beside the student's name. The parent is then taken to a page where they can select the teachers with whom they wish to meet. Multiple teachers can be selected by using the "Ctrl" key on a PC keyboard or the "Command" key on a Macintosh keyboard.

Teacher Appointment Calendars

Parents are shown the calendars of the selected teachers. It also shows them appointment times that are unavailable for booking. Parents can select appointment times by simply clicking the check boxes or by clicking in the time block beside the check box. Once an appointment time has been selected it will change to green.

Only one ten-minute appointment is available per student. *Additionally, Mr. Lansing, our Principal, Mr. Pederson, our Assistant Principal, and Mme Lundy, are also available for appointments.*

Appointments Booked Successfully

Once the appointments are booked the screen will display the list of appointments for the student. When the parent clicks on the "Return to Home Page" button, they will return to the home page with their students and their appointments listed. They can book additional appointments, or they can book appointments for another student.

Parents with More Than One Student

If a parent has more than one student at the school, the teacher appointment calendars will have an additional feature displayed when the second (or third, etc.) student bookings are made. If a sibling has an appointment booked, the student's name will be displayed for a parent, thus making it easier to book adjacent appointments.

Printing Parent Appointment Schedule

From the home page it is possible for you to generate a PDF document with the list of your appointments. By clicking on the "Print Appointments" button a window will pop-up asking the parent what they wish to do with the document. Click "Open" after the download is complete to view the PDF.

Parent Schedule PDF

The generated PDF will list the appointment times, the student and the teacher with whom the appointment is booked.

If you are having difficulties, please call the school to book appointments over the phone.
